Special Thanks!

Dear Maye Foster Thompson,

We wish to express our sincere gratitude in hosting the 1st Annual HSDA Conference scheduled on September 29, 2005. The University of Chicago Hospitals has contributed far beyond what we requested and has set the tone for a successful event. Your efforts further our mission to lead healthcare supplier diversity by building awareness through education and creating pathways to potential opportunities for historically under-utilized businesses and all healthcare supply chain stakeholders.

Best Regards,

Kathy Benn, Cardinal Health
HSDA Treasurer

Philip G. Graham
HSDA Consulting Director

Special Thanks!

Dear Betty Glander,

We wish to express our sincere gratitude in helping us organize the 1st Annual HSDA Conference scheduled on September 29, 2005. Your event planning expertise and knowledge of the best Chicago venues established the foundation for a successful event. Your efforts further our mission to lead healthcare supplier diversity by building awareness through education and creating pathways to potential opportunities for historically underutilized businesses and all healthcare supply chain stakeholders.

Best Regards,

Kathy Benn, Cardinal Health
